

# CAPABILITY STATEMENT

GRN Piedmont provides qualified candidates with the highest level of integrity to clients that provide productive cultures and employment.

## ABOUT OUR COMPANY

GRN Piedmont is an executive search firm that has been in business since 2013. We work with executives, engineering, materials, contractors and supply chain positions.

GRN Piedmont uses recruiting technology to locate personnel and an applicant tracking system to retain clients and candidates. We approach our candidates using the latest technologies in identifying and qualifying personnel.

### Differentiator

We use our experience to qualify to technical ability, cultural alignment, character, attitude and career vision. We have a reputation of quick to fill positions. We have over a 90% presentation to interview ratio, 93% offer to acceptance and 94% retention rate for two years.
